## Application for registration of co-exhibitors

Permission for co-exhibitors must be requested in writing. A co-exhibitor is one who presents his own goods or services, using his own staff on the stand of another exhibitor (the main tenant). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors. The participation of co-exhibitors is only allowed if they have been admitted for participation by EKO MMI. Co-exhibitors may only be admitted for participation by EKO MMI if they would have qualified for admission as exhibitors in their own right. Participation of companies as additionally represented companies is not possible.

**The registration fee is EUR 200+VAT net for each co-exhibitor. The charge for co-exhibitors and additionally represented companies is payable by the main exhibitor.
