

logitrans 2016 Exhibitor Statements

Arif Özer Özsan, Business Development Manager, TRANSORIENT International Forwarding Inc. & ECS- European Containers Services, Türkiye

We have exhibited at logitrans for the second time and will continue to participate as an exhibitor for the following years as we are glad to meet with our partners, clients and such great visitors under the same roof. logitrans present an outstanding platform for all players in logistics & transportation industry, also organizational services of logitrans continue with an increasing quality that also make us satisfied. We are waiting for logitrans 2017 with sensation.

Prof. Dr. Stefan Iskan, Academic Advisor of Aysberg Media Group and Professor at University of Applied Sciences Ludwigshafen am Rhein, Germany

Business between Turkey and Germany has a long tradition. Logitrans fair is the ideal platform to bring the Turkish-German logistics industry together.

Håkan Fagerström, Director Cargo Services of Tallink, Tallin, Estonia

Turkish area is highly interesting for us and we are looking for new business potential. We have been very satisfied with the outcome of logitrans and gained a lot of new contacts and visibility.

Anthony Petillon, Manager Strategy and Development of Port Boulogne Calais, France

The Port Boulogne Calais exhibited once again at logitrans. This event proved that it was the right place to present the new services and intermodal solutions to our Turkish clients. The choice of logitrans was evident as most of the main players of our market are visitors or exhibitors.

Hasan Hatipoğlu, General Manager of Lufthansa Cargo, Turkey

logitrans 2016 again a success! Every year we are very happy and very satisfied with the quantity and quality of the participants and the chance to meet with air-cargo industry representatives. We are very much looking forward to getting together again in 2017.

Tamer Kiliç, Managing Director of Lutz Sigorta ve Reasürans Brokerliği AŞ, Istanbul, Turkey

logitrans is a real B2B trade show now. It allows us to meet customers and build the platform for future businesses.

Audrey Schneider, Head of Marketing of Ports of Toulon Bay, France

The logitrans is a very good trade show with high-quality trade visitors. We would like to come again as an exhibitor next year.

Prof. Thomas Wimmer, Chairman of the Executive Board, German Logistics Association (BVL), Germany

Visitors today would like to meet not only exhibitors at a trade fair and get information about new products and innovative services. Education and the exchange of knowledge play a more and more important role—and this role has been met perfectly by logitrans. A conference program devoted to the most important logistics trends was held on all three days of the fair.

Ahmet Ogeday Olcayto, Business Development Manager, Assan Lojistik, Turkey

We exhibited at logitrans for the first time this year and we were satisfied and found it useful in terms of developing relations and creating awareness in our industry.

Sefa Efe Ezgin, Marketing Manager, GÖK-BORA Lojistik, Turkey

Our expectation from logitrans was to meet potential clients and suppliers. We would like to thank them as we managed to achieve our goals. It was very good in terms of experiencing the same environment with other industry representatives and to see the innovations. I think we will be exhibiting next year as well.

Kamil Asan, General Manager, Samsun Lojistik, Turkey

This is the second time we are exhibiting at logitrans and we were very glad with the organization like last year.

Can Aydolun, Logistics Terminal and CFS Manager, Nempport Lojistik, Turkey

This is a very successful fair. It is useful for marketing of our company and also for reaching diverse clients.

Banu Kuray, Network & Marketing Communications Coordinator, Arkas Lojistik, Turkey

This trade fair has become the meeting point of our industry. We ask all companies and professionals of the sector to support and participate at the exhibition. We have been exhibiting for the 3rd time. We are happy with our achievements and are planning to continue to take part as exhibitors in the coming terms as well.
